

# Water Controls

## V2 BRASS VALVE SERIES

ball valve

globe valve

Y-strainer

check valve

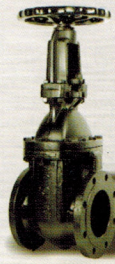

## V4 CAST IRON VALVE SERIES

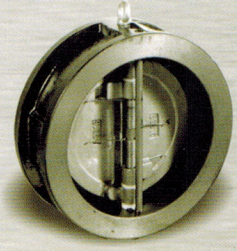

gate valve non rising stem

check valves

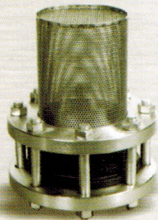

gate valve rising stem

double door (dual plate) check valve

manual/ motorized butterfly valve

foot valve

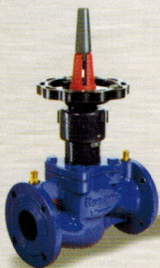

globe valve rising stem

Y-strainer

## BALANCING VALVES

flanged

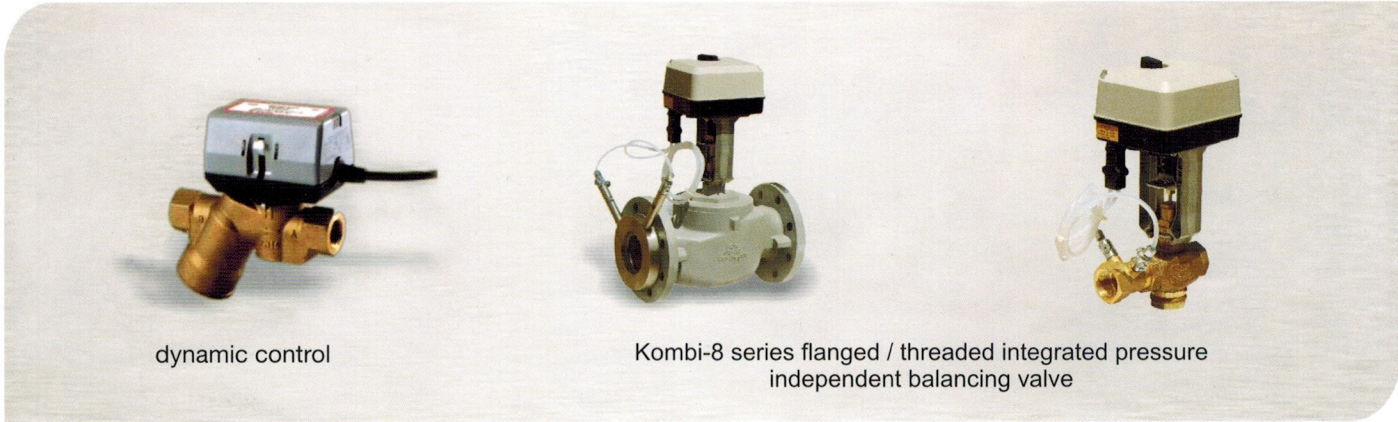

double regulating

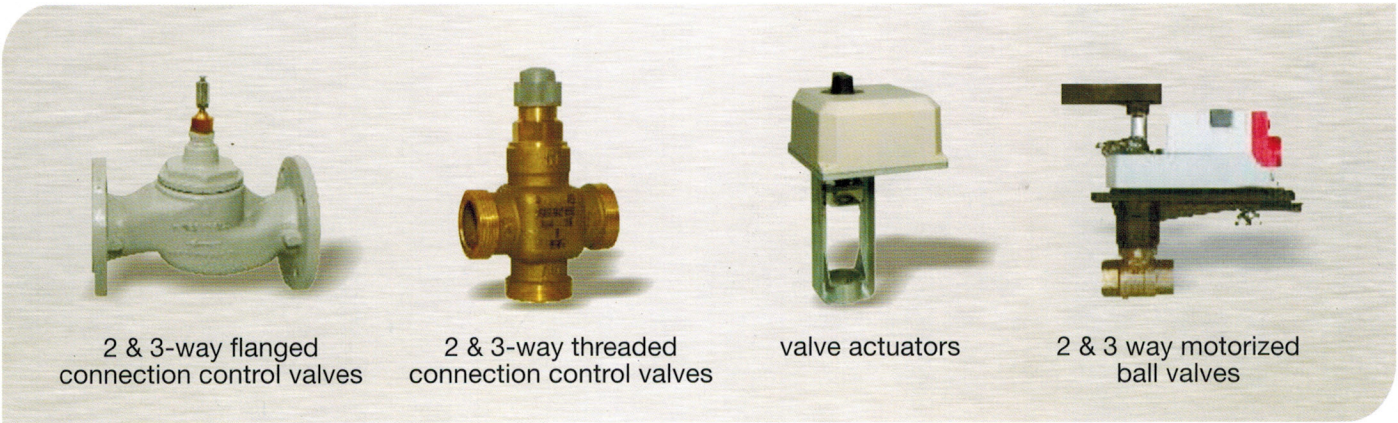

constant flow

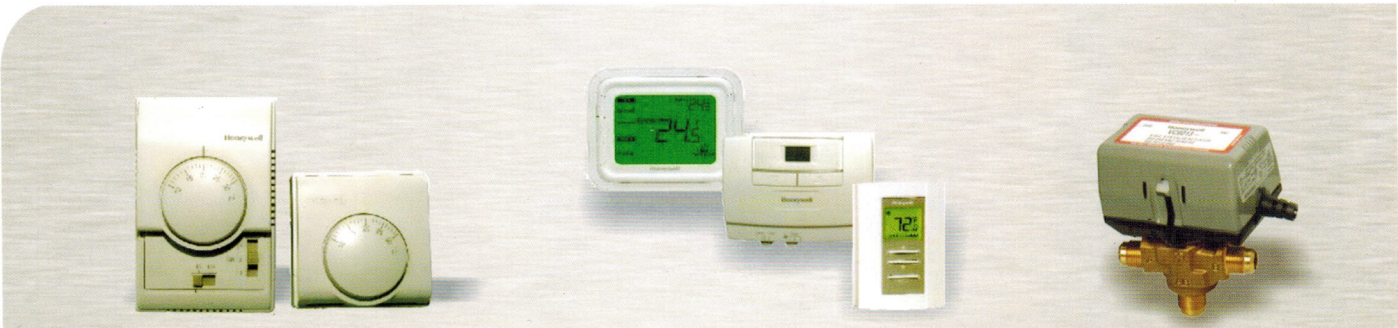

# Air Handling Unit Controls

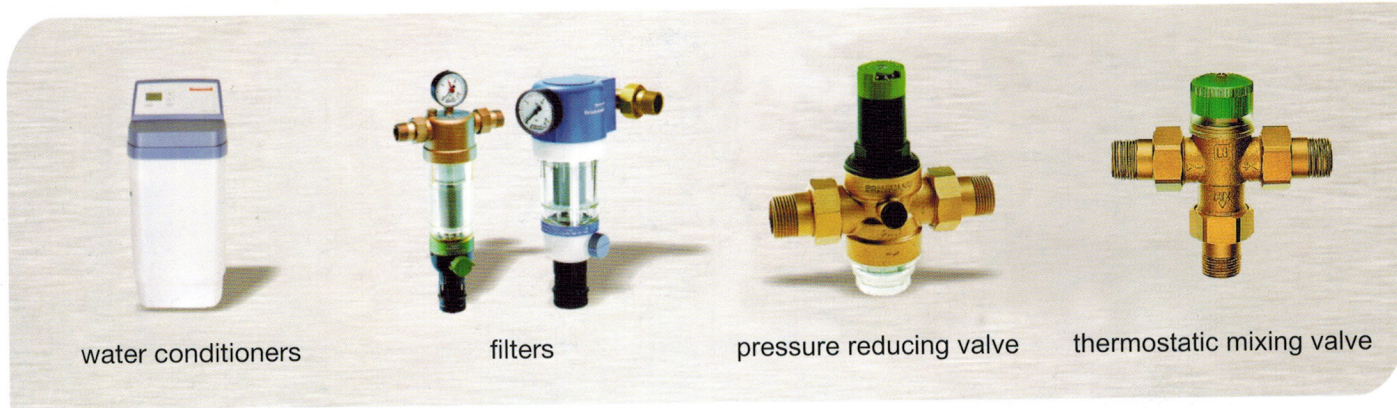

# Fan Coil Unit Controls

# Intelligent Water Solutions

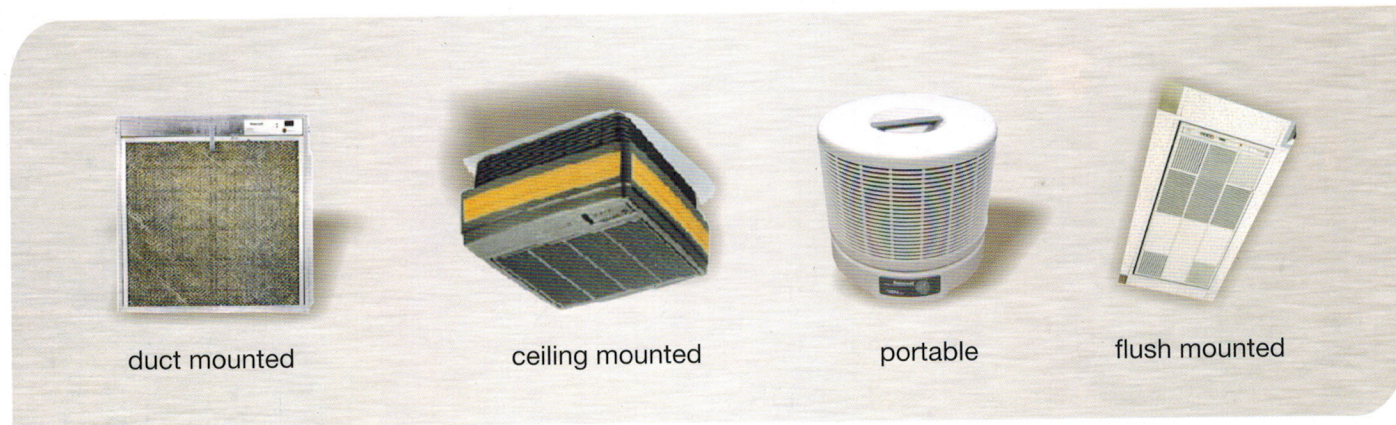

water conditioners

filters

pressure reducing valve

thermostatic mixing valve

# Indoor Air Cleaners

duct mounted

ceiling mounted

portable

flush mounted

# Solar Water Heating Systems

stand alone

Commercial

100/200/300 LPD standard system

pressurized system

MPP series for hard water

open loop collector

evacuated tube CPC collector
